Re: YRP Jackson's Point Marine Unit – Bi-Weekly Project Update

Period Covered Under Current Update: **October 28 – November 11, 2019**

Below pictures represent building infill and subgrade fill activities at YRP Jackson's Point Marine Unit between October 14 – October 28, 2019

Upcoming construction activities for the YRP Jackson's Point Marine Unit for the duration between October 28 – November 11, 2019 will include, but are not limited to the following:

- 1.1 Building infill and subgrade backfill continues
- 1.2 Complete new detail for wire mesh and anchoring system
- 1.3 Removal of concrete curb and existing hydro pole
- 1.4 Rebar install grade beams foundation
- 1.5 Baseplate installation on grade beam
- 1.6 Form work install grade beam
- 1.7 Install concrete foundation

Please be advised that all construction activities are subject to inclement weather or unforeseen site conditions. Streets and intersections adjacent to the construction site remain open to traffic.
