Re: YRP Jackson's Point Marine Unit – Bi-Weekly Project Update

Period Covered Under Current Update: **September 30 – October 14, 2019**

Upcoming construction activities for the YRP Jackson's Point Marine Unit for the duration between September 30 – October 14, 2019 will include, but are not limited to the following:

- 1.1 Welding of helical pile caps
- 1.2 Installation of piles
- 1.3 Engineers are on site monitoring and inspecting pile installation daily
- 1.4 Engineers are on site to review existing structures to commence with modification of retaining wall
- 1.5 Operation of barge with boat operator on site daily

Please be advised that all construction activities are subject to inclement weather or unforeseen site conditions. Streets and intersections adjacent to the construction site remain open to traffic.
