Re: YRP Jackson's Point Marine Unit – Bi-Weekly Project Update

Period Covered Under Current Update: **November 25 – December 08, 2019**

Below pictures represent formwork and rebar installation activities at YRP Jackson's Point Marine Unit between November 11 – November 24, 2019

Upcoming construction activities for the YRP Jackson's Point Marine Unit for the duration between November 25 – December 08, 2019 will include, but are not limited to the following:

- 1.1 Rebar install shallow grade beams foundation
- 1.2 Form work install shallow grade beams
- 1.3 Form work concrete foundation
- 1.4 Pour concrete shallow grade beams
- 1.5 Complete under slab electrical and telecom conduit installation

Please be advised that all construction activities are subject to inclement weather or unforeseen site conditions. Streets and intersections adjacent to the construction site remain open to traffic.
