Re: YRP Jackson's Point Marine Unit – Bi-Weekly Project Update

Period Covered Under Current Update: **December 09 – December 23, 2019**

Below pictures represent mechanical underground work, backfill and compaction work activities at YRP Jackson's Point Marine Unit between November 25, 2019 – December 08, 2019

Upcoming construction activities for the YRP Jackson's Point Marine Unit for the duration between December 09 – December 23, 2019 will include, but are not limited to the following:

- 1.1 Rebar install shallow grade beams foundation
- 1.2 Rebar inspections
- 1.3 Pile cap welding
- 1.4 Ring Beams Installation
- 1.5 Structural Masonry Wall Scaffolding

Please be advised that all construction activities are subject to inclement weather or unforeseen site conditions. Streets and intersections adjacent to the construction site remain open to traffic.

There will be minimal construction activities from Tuesday Dec 24, 2019 to Wednesday Jan 01, 2020. The site will remain closed for Statutory Holidays.
