

January 20, 2020

Re: YRP Jackson's Point Marine Unit – Bi-Weekly Project Update

Period Covered Under Current Update: **January 20 – February 02, 2020**

Below pictures represent site activities at YRP Jackson's Point Marine Unit between January 06 – January 19, 2020

Upcoming construction activities for the YRP Jackson's Point Marine Unit for the duration between January 20 – February 02, 2020 will include, but are not limited to the following:

- 1.1 Slab on Grade Backfill Inspection
- 1.2 Place Air Vapour Barrier
- 1.3 Placing Structural Reinforcing & Curbs
- 1.4 Form works, Anchor Bolts & Placing Slab on Grade
- 1.5 Set Ring Beam

Please be advised that all construction activities are subject to inclement weather or unforeseen site conditions. Streets and intersections adjacent to the construction site remain open to traffic.
